

DAY 29

## LET US GO AND SEE!

---

**And suddenly there appeared with the angel a multitude of the heavenly host praising God and saying, “Glory to God in the highest, and on earth peace among men with whom He is pleased.” When the angels had gone away from them into heaven, the shepherds began saying to one another, “Let us go straight to Bethlehem then, and see this thing that has happened which the Lord has made known to us.”**

**Luke 2:13-15**

So...you're a shepherd, doing what shepherds do, tending to your flock at night, and not only does an angel appear, but "a multitude of heavenly host" join in and begin to praise God, right in front of you. This would have been more visually stimulating than any Pink Floyd/Disney World laser light show you've ever seen in your life. I can't even begin to think of the harmonic range this group of angels would be able to attain. It most definitely was a supernatural experience. The only thing that makes this moment even more magnificent is the message they brought; The Messiah is Here!

What would your reaction to something like this have been?

Would your first thought be, let us go and see! Believing without a doubt what you would find in Bethlehem?

Or would you have taken some time to discuss what just happened and plan what you would do next?

*King of the Universe, I pray your people are prepared in spirit to recognize you each time you make yourself known. Allow us to always be ready to say, Let Us Go and See!*
