Each week we will "cover" in prayer the Highlights cover story.

#### COVER IN PRAYER:

We invite you to join us in prayer for the special girls that God has placed in our lives as fathers, grandfathers, uncles, brothers, and cousins gather together for our Daddy/Daughter Banquet. As we come together to celebrate these girls and treat them to a special night, pray that God would use this night to remind us all of our impact and calling to raise up the next generations to know Him. Pray that God would strengthen relationships between these girls and their male role models. Pray that God's love would be reflected and exemplified in the way that these men raise or help raise these girls.
