#### HIGH PRAISE: BIBLE STUDY TEACHER:

A couple of weeks ago a resident of an assisted living facility was calling various churches asking if they had a layperson who could lead a Bible study for a group there. I said I didn't know of anyone but would make the need known. This week we received a call from a new church member interested in teaching a Bible study for those who are homebound and/or senior adult visitation. I am rejoicing and I know that group will as well.
