MASTER PLANNING

The Master Planning Committee has been hard at work, praying about God's will for our church, meeting with church staff, and listening to focus groups with representatives from various ministries in our church. Now, we are excited to ask you to join us in this important work as we envision a new master plan for our campus that supports the Mission and Vision of First Baptist Church San Antonio. Your feedback is a very important part of this process. More than checking some boxes and submitting the survey, we need each person to prayerfully and thoughtfully respond while considering what God has planned for our future.
