## HEART 2 HEART

*Support/Recovery Groups*

**Heart 2 Heart** is a ministry of San Antonio's First Baptist Church and was founded on two simple principles:

- We all experience brokenness sometime in our life; and
- There is healing in God's Word.

Though we are a ministry of First Baptist Church, our support/recovery groups do not exist to recruit people to join any particular church, nor to create an environment where church membership matters at all.

Rather, our leadership is focused entirely on your healing and your finding answers to the very practical questions you may be asking about your circumstances.
