Reflecting the image of God through the arts

IMAGO Arts Academy at First Baptist Church San Antonio offers need-based scholarships. These scholarships are granted at the discretion of the IMAGO Coordinator as a reward for excellence and as an encouragement of potential. Scholarships are partially based on the student's work ethic and commitment to training as well as the family's financial need. We look closely at student behavior and parental support with regard to attendance and adherence to IMAGO policies when selecting new or renewing scholarship recipients.

Because we understand that the desire for assistance will be great, we take the giving of scholarships very seriously and look to be good stewards of the money that will be provided. Scholarship students and parents are under specific guidelines to act as ambassadors for IMAGO. There is an expectation that scholarship students/parents would be willing to volunteer their time when needed, would not have excessive absences, would show a commitment to practice and maintain a positive attitude in order to keep their scholarship. Scholarships can be reduced or revoked at any time if these expectations are not met.

Scholarship recipients must re-apply each year and will be re-evaluated to determine future scholarship.

Upon receipt of your application and review by the Scholarship Committee, you will be notified of the committee's decision in a timely manner. If you are awarded a scholarship, you will be asked to sign a commitment form.

The Scholarship Assistance Program was created to give need-based financial assistance to students with potential and the desire to develop their artistic gifts. Students must complete the scholarship application form in order to demonstrate desire, dedication, and financial need. The recipient will be chosen by the FBC Associate Pastor of Music and Worship and the IMAGO Coordinator. Names of scholarship donors will not be disclosed.
